

CAMP HEARTplay:

A School Vacation Week Family Camp
Wednesday, February 18, 2026
9:30am-1pm

HEARTplay is a heart-centered bereavement program which offers support services for children, teens and young adults of all abilities who are coping with a serious illness or death of an important person in their lives. Licensed mental health counselors and expressive therapists use movement, music, art, play, and discussion to help participants explore and express feelings associated with grief and loss. We strive to offer programs and services that are trauma-informed and responsive to the needs of families in our communities.

Please join us for a day of fun and grief support during February school vacation.
